COMPANY DESCRIPTION:

The Florida Development Finance Corporation (“FDFC”) is a special development financing authority created by State Legislation under Chapter 288, Part X of the Florida Statutes and formed as a 501(c)4 not-for-profit corporation. Although not a State Agency, the FDFC is a state-wide conduit issuer that provides access to capital for project finance. The primary tools for economic development used by the FDFC are through i) traditional issuance of tax-exempt & taxable bonds for qualified projects and borrowers, and ii) its Property Assessed Clean Energy (“PACE”) Program that finances qualified property improvements related to energy efficiency, energy conservation and wind resistance. Go to [www.fdfcbonds.com](http://www.fdfcbonds.com) for further information.

JOB DESCRIPTION:

**Job Title:** Analyst, PACE Program  
**Department:** PACE Department  
**Reports To:** PACE Program Supervisor  
**FLSA Status:** Exempt  
**Pay Band:** N/A  
**Approved By:** Ryan Bartkus / Bill Spivey  
**Approved Date:** July 2019

**BASIC PURPOSE:**

The primary responsibility of the PACE Program Analyst is assisting the PACE Program Supervisor and PACE Program Director in the review, processing and audit of data pertaining to residential and commercial project documents such as finance agreements, summary memorandums, closing documents and related documentation for accuracy through Salesforce and/or other data management systems. The PACE Program Analyst will participate as part of the Bond/Note financing process to verify that underwriting conditions have been met and ensures legal and other supporting documents are properly prepared and processed by the FDFC PACE Program Administrators. Other duties may include participation with reconciliations, prepayments, assessment collections, and other financing-related activities to support the PACE Program. Some travel may be required for both company and public meetings, conferences or other general support. This position may also provide support to other FDFC Staff when needed and should be willing and able to perform clerical duties, maintain and update databases, create reports and assist with other general activities as needed.
ESSENTIAL ACCOUNTABILITIES or TASKS:

• Process and analyze property-related data
• Prepare / Update data and reports
• Identify and consult with the PACE Program Supervisor and Director on file exceptions
